Paint & Touch-up

Want The New Crane Look?

The official Manitex colors are here for you.

Manitex recognizes that our customers want nothing but the best. Now we wish to pass that on to you. By helping you restore your machine back to its original color and style.

Or perhaps your latest model has been scratched up on the worksite. We acknowledge that you do not need gallons of unneeded paint. That is why Manitex offers touch-up spray cans as well.

So whether it is a touch-up or wanting that straight off the factory floor look. Manitex is here for you.

Our one gallon kits include:

- Paint 3/4 gallon
- Hardener 1/4 gallon
- Clean up Kit 1 quart (Flush Solvent)

Better Product... Better Payback
