WARRANTY REGISTRATION and PRE-DELIVERY INSPECTION FORM

This warranty registration form must be completed by the dealer and returned to Manitowoc Boom Trucks, Inc. within 15 days after the date of crane delivery. Warranty is not valid without prompt receipt of completed form. Warranty claims will not be processed until the crane has been properly registered and inspected.

Dealer shall retain a copy of this for his file and supply the crane owner with a copy.

PRE-DELIVERY INSPECTION

Before delivering this crane to the owner, the dealer shall review the warranty, the capacity chart, and all safety, operation, and maintenance instructions in the Owner's Manual with the crane owner.

Furthermore, the dealer shall make the following operation, maintenance, and lubrication checks. All items must comply with the specifications given in the Owner's Manual. The dealer shall take appropriate action to correct any discrepancies. If any item is NOT OK, explain why in the comments section.
