NOTICE

Manitex Inc., a subsidiary of Manitowoc Cranes Inc., has grown its presence in the hydraulic truck crane market over the past couple of years. This was accomplished primarily by the purchase first, of USTC Truck Cranes then followed by the purchase of Pioneer Cranes.

To better serve all our customers, and to take full advantage of the prestige that is associated with the Manitowoc name in the crane markets, we have consolidated all our efforts and operations under one new identity. As of July 1, 2000 all of these product names are marketed and supported under our new company name **Manitowoc Boom Trucks**.

The majority of our past and current operator, parts, service, installation and maintenance manuals will make reference to our previous trade names. We are working toward updating all current manuals, but until this is accomplished, please be aware that wherever references are made to Manitek, USTC and Pioneer you can confidently substitute **Manitowoc Boom Trucks** in their place.

For parts, sales and service contact your local Manitowoc Boom Trucks Dealer or Regional Manager. If you need assistance locating the person best suited to support your needs please contacts us.
